# 2020 Presidential Election Voter Guide

## “Vote Your Beliefs and Values”

Primary election,  
2020

A Christian should always vote from a Biblical world view and not solely as a Democrat, Republican, or Independent. A Christian doesn't vote by blindly following what a union, organization, or company says. In addition, a Christian vote is not based upon gender or race, but rather on the issues.

A Biblical worldview means judging issues according to your values, based on the infallible Word of God. Then pray and vote your conscience. Your vote is recorded in eternity. Among the key, non-negotiable issues included in this guide are defending religious liberties, Israel, the persecuted church, and the sanctity of life.

Please encourage others to see this guide. You can post it on your Facebook [here](#). Instructions [here](#). You can even use it on Twitter [here](#). Or, you can print it out to distribute to others. Once you decide on your candidate of choice, vote in our poll at <https://www.craighuey.com/2020-pro-freedom-voter-presidential-poll/>
